SECTION 2.03 Purchase Price. The purchase price (the "Purchase Price") payable by the Purchaser to the Seller for the sale, transfer, assignment, conveyance and delivery to the Purchaser of the Purchased Assets shall be equal to the sum of: (a) \$21,000,000; minus (b) the Cure Costs; minus (c) the Missing Property Reduction, if any, determined pursuant to Section 2.06.

SECTION 2.04 Payment of the Purchase Price. The Purchaser shall pay the Purchase Price to the Seller as follows:

(a) the sum of: (i) \$21,000,000; minus (i) the amount of the Purchaser's Deposit plus all accrued interest thereon; minus (ii) the amount of the Determined Cure Costs as of two (2) Business Days prior to the Closing Date; minus (iii) the amount of the Asserted Cure Costs plus the amount of the Escrow Agent's fees under the Asserted Cure Costs Escrow Agreement; minus (iv) the amount of the Missing Property Reduction, if any; minus (v) the amount of the Seller's Real Estate Closing Costs; minus (vi) Conveyance Taxes; minus (vii) the amount of the Prorated Tax Payment, shall be paid by completed wire transfer to the Purchase Price Bank Account of immediately available funds on the Closing Date;

SECTION 2.06 Missing Property Reduction. The parties acknowledge and agree that the amount of the Purchase Price set forth herein is based upon the assumption that the Purchaser will be able to acquire all of the tools and equipment set forth on Attachments 1 and 2 to Section 2.01(a)(ii) of the Disclosure Schedule (the "Purchased Tools and Equipment"). Prior to the Closing Date, the Purchaser and the Seller shall jointly conduct a physical inspection and count of the Purchased Tools and Equipment. In the event the parties determine in good faith that any Purchased Tools and Equipment are missing, the Purchase Price shall be reduced pursuant to the terms of this Section 2.06, in order to account for such missing items (the "Missing Property Reduction"). The Seller and the Purchaser will use commercially reasonable efforts to agree in good faith upon any Missing Property Reduction pursuant to this Section at least twenty-four (24) hours prior to the Closing. With respect to Purchased Tools and Equipment identified as "Category B" items in Attachment 1 to Section 2.01(a)(ii) of the Disclosure Schedule, for a Missing Property Reduction to apply, the orderly liquidation value of such missing Purchased Tools and Equipment, as such values are listed on Attachments 1 and 2 to Section 2.01(a)(ii) of the Disclosure Schedule, (i) shall be greater than \$100,000 in the aggregate (the "Threshold Amount"), and (ii) the Purchase Price shall be reduced only by the amount that the orderly liquidation value of the missing Purchased Tools and Equipment exceeds the Threshold Amount. determined to be missing, then the Seller shall replace the missing item with the same type of item (in comparable or better condition and repair as compared to the missing item) and furnish such replacement to the Purchaser simultaneously with the Closing.

SECTION 2.07 Purchaser's Deposit.

(a) Within three (3) Business Days of execution of this Agreement, the Purchaser shall pay to the Seller a good faith deposit in the amount of \$300,000 (the "Purchaser's Initial Deposit") by wire transfer of immediately available funds. The Purchaser's Initial Deposit shall be held in escrow by the Escrow Agent in accordance with the terms of the Deposit Escrow Agreement. In the event that one or more Qualified Bidders (as defined in the Bidding Procedures) submits a Qualified Overbid, including by making the deposit required for a Qualified Overbid pursuant to the Bidding Procedures (the "Overbid Deposit Amount"), then not later than the date of the Auction (as defined in the Bidding Procedures), the Purchaser shall be required to make an additional good faith deposit (the "Purchaser's Additional Deposit") by wire transfer of immediately available funds in the amount of \$950,000, which represents the difference between the Overbid Deposit Amount and the Purchaser's Initial Deposit; provided, however, that if the actual Overbid Deposit Amount established by the Bidding Procedures is less than \$1,250,000, then the Purchaser's Additional Deposit shall be reduced to an amount equal to (A) the Overbid Deposit Amount minus (B) \$300,000. (The aggregate of the Purchaser's Initial Deposit and, if applicable, the Purchaser's Additional Deposit (but only to the extent the Purchaser's Additional Deposit is made) is referred to herein as the "Purchaser's Deposit"). The Escrow Agent shall be entitled to withdraw the Escrow Agent's escrow fees and charges in connection with the Deposit Escrow Agreement from the Purchaser's Deposit pursuant to the terms of Deposit Escrow Agreement.

(b) Without limiting the rights of the parties hereunder, and subject to terms of the Deposit Escrow Agreement: (i) if this Agreement is terminated by the Seller or the Purchaser for any reason other than in accordance with Section 8.01(c), then the Purchaser's Deposit, plus any accrued interest thereon, shall be returned to the Purchaser within three (3) Business Days of such termination; provided, further, that the Seller and the Purchaser agree, for clarity's sake, that failure to satisfy any of the Purchaser's conditions to closing contained in Section 7.02 shall result in the Purchaser's Deposit plus any accrued interest thereon being returned to the Purchaser; (ii) if this Agreement is terminated by the Seller in accordance with Section 8.01(c), then the Seller shall be entitled to retain the Purchaser's Deposit, plus any accrued interest thereon. Each party shall cooperate with the other in connection with the return or release of the Purchaser's Deposit in accordance with the provisions hereof and the Deposit Escrow Agreement, including by providing such instructions as are required to be delivered to the Escrow Agent to facilitate the timely return or release of the Purchaser's Deposit.

The Escrow Agent shall be entitled to withdraw the Escrow Agent's escrow fees and charges in connection with the Asserted Cure Costs Escrow Agreement from the escrow account pursuant to the terms of Asserted Cure Costs Escrow Agreement.

(b) As and when any Asserted Cure Costs become Determined Cure Costs, (i) the amount of such Determined Cure Costs shall be released from the Asserted Cure Costs Deposit to the Purchaser by the Escrow Agent, and (ii) if any such Asserted Cure Costs are greater than the corresponding Determined Cure Costs, then the amount equal to the difference between such Asserted Cure Costs and the corresponding Determined Cure Costs shall be released from the Asserted Cure Costs Deposit to the Seller by the Escrow Agent, in each case in accordance with the terms of the Asserted Cure Costs Escrow Agreement. After all Asserted Cure Costs have become Determined Cure Costs, the balance of the Asserted Cure Costs Deposit shall be released to the Seller in accordance with the terms of the Asserted Cure Costs Escrow Agreement.

The Seller and the Purchaser shall give prompt notice to each other of (i) any written notice or other written communication from any Person alleging that the consent of such Person which is or may be required in connection with the transactions contemplated hereby is not likely to be obtained prior to Closing, and (ii) any written objection or proceeding that challenges such transactions or the entry of the Transaction Approval Order. The Seller shall use its best efforts to cause a hearing on the Sale Procedures Motion on December 29, 2009.

SECTION 5.04 Appeal. In the event the entry of the Bidding Procedures Order or the Transaction Approval Order shall be appealed, the Seller and the Purchaser shall use their respective reasonable best efforts to defend such appeal. The Break-Up Fee shall be made to the Purchaser concurrently with the occurrence of a Compensable Termination Event.

SECTION 5.06 Assumption of Assigned Contracts.

(a) The Seller and the Purchaser shall use commercially reasonable efforts to obtain an order of the Bankruptcy Court authorizing the Seller to assume the Assigned Contracts and assign to the Purchaser all Assigned Contracts at the Closing. At any time and from time to time prior to receipt of the Transaction Approval Order, the Purchaser may, by written notice to Seller, elect to exclude any one or more of the Material Contracts (including any lease pursuant to which the Leased Real Property is leased by the Seller) or Permits and Licenses, from this transaction, provided that the Purchase Price shall not be reduced as a result of such notice. Any Material Contract or Permit and License identified in such a notice (each, an “Excluded Contract”) shall no longer be an Assigned Contract or an Assigned Permit and License that is a part of the Purchased Assets.

(b) At the time of Closing, and subject to the approval of the Bankruptcy Court, and subject to acceptance by the Purchaser of the terms of the Assigned Contracts as they may be renegotiated as provided in this Agreement, the Seller shall assume and then assign to the Purchaser, and the Purchaser shall assume from the Seller, all the Assigned Contracts.

(c) Utilizing amounts from the Asserted Cured Costs Deposit, the Purchaser shall make provision for the payment of, the cure and reinstatement costs and expenses (collectively, the “Cure Costs”) of the Assigned Contracts, and the costs and expenses

relating to the assumption and assignment of the Assigned Contracts; provided, for clarity's sake, that the Purchaser shall not assume any Environmental Liability of the Seller in respect of or related to any of the Leased Real Property. The Seller shall use its reasonable best efforts to establish the proper Cure Costs, if any, for each Assigned Contract, including the filing and prosecution of any and all appropriate motions in the Bankruptcy Court.

(d) Notwithstanding any provision in this Agreement to the contrary, from and after the date hereof through the Closing Date, the Seller will not reject, without prior consent of the Purchaser, any Material Contract.

(e) From and after the Closing, the Purchaser shall be obligated to pay all amounts for services rendered and goods provided, in each case, from and after the Closing, under the Assigned Contracts in accordance with the terms and conditions of such Assigned Contracts, and shall provide to such counterparty reasonable assurances of future performance. Any amounts for services rendered and goods provided under the Material Contracts during the period before the Closing shall not be an Assumed Liability of the Purchaser.

SECTION 5.07 Conduct of Business Prior to the Closing. The Seller covenants and agrees that, except as described in Section 5.07 of the Disclosure Schedule, between the date hereof and the Closing Date, the Seller, to the extent related solely to the Purchased Assets and the Business and taking into account past practice, its current and projected financial condition and the condition of the markets in which the Business operates: (i) shall conduct its business in the ordinary course, taking into account its status as a debtor in possession under Chapter 11 of the Bankruptcy Code, in all material respects; and (ii) (A) will maintain all Tool Inventories; (B) will maintain in force all existing policies of insurance against Loss relating to the Purchased Assets; (C) will not sell, lease or otherwise transfer or dispose of any Purchased Assets, or any interest therein; (D) will not effect any involuntary termination of its employees who otherwise were potentially to be offered employment by the Purchaser pursuant to Article VI, without providing the Purchaser with reasonable notice of the same and a reasonable opportunity to consult with the Seller on the identification of the terminated employees; (E) without the prior written consent of the Purchaser, will not fail to exercise any rights of renewal with respect to any material Leased Real Property that by its terms would otherwise expire; (F) will use its commercially reasonable efforts to maintain in all material respects the relations and goodwill with customers and others having business relationships with the Seller in connection with the Purchased Assets and the Business; (G) will not encumber or cause Liens to be placed on the Owned Real Property or the Leased Real Property, except pursuant to the existing Debtor in Possession Loan Agreement; and (H) without the prior written consent of Purchaser, will not agree to take any of the actions specified in this Section 5.07, except as contemplated by this Agreement and the Ancillary Agreements.

SECTION 5.08 Access to Information. From the date hereof until the Closing, upon reasonable notice, the Seller shall, and shall cause its respective officers, directors, employees, agents, representatives, accountants and counsel to: (a) afford the Purchaser and its officers, employees, and authorized agents, lenders and representatives reasonable access to the offices, properties and books and records of the Seller (to the extent relating to the Purchased Assets or the Business); and (b) furnish to the officers, employees, and authorized agents, lenders and

representatives of the Purchaser such additional financial and operating data and other information regarding the Business (or copies thereof) as the Purchaser may from time to time reasonably request; provided, however, that any such access or furnishing of information shall be conducted at the Purchaser's expense, during normal business hours, under the supervision of the Seller's personnel and in such a manner as not to unreasonably interfere with the normal operations of the Business. The parties acknowledge that the general access rights granted under the foregoing sentence include the right of the Purchaser to stage personnel of the Purchaser on site at the Seller's premises during normal business hours in order to effectuate an orderly transition of the Business to the Purchaser. Notwithstanding anything to the contrary in this Agreement, the Seller shall not be required to disclose any information to the Purchaser if such disclosure would, in the Seller's reasonable discretion, (i) jeopardize any attorney-client or other legal privilege, (ii) contravene any applicable Laws, fiduciary duty or binding agreement entered into prior to the date hereof, or (iii) contravene its legal duties as a debtor in possession with the responsibilities of attaining the highest and best offer for the Purchased Assets and the Business.

SECTION 5.09 Damage or Destruction.

(a) Until the Closing, the Purchased Assets shall remain at the risk of the Seller. In the event of any material damage to or destruction of any Purchased Asset (other than normal wear and tear) prior to the Closing (in any such case, a "Loss"), the Seller shall give written notice thereof to the Purchaser and the Purchaser shall have the option, exercisable by written notice to the Seller given within five (5) Business Days after the Seller's notice of such Loss:

(i) to reduce the Purchase Price by an amount equal to (A) the estimated cost to repair or restore the Purchased Assets affected by such Loss (the "Affected Assets") to substantially their condition immediately prior to the occurrence of such Loss or (B) if the Affected Assets are destroyed or damaged beyond repair, the replacement cost of the Affected Assets and, in either case, to complete this transaction as provided in this Agreement, in which event all insurance proceeds or other compensation payable on account of such Loss shall be retained by the Seller, or

(ii) to reduce the Purchase Price by an amount equal to the deductible amount under any policies of insurance covering such Loss, in which event all proceeds of insurance or other compensation for such Loss shall be payable to the Purchaser, all right and claim of the Seller in and to any such amounts shall be assigned and (if previously received by the Seller) paid to the Purchaser at the Closing, and the Purchaser shall complete the Transactions as provided in this Agreement without any additional reduction in the Purchase Price, or

(iii) if such Loss results in a failure of the condition set forth in Section 7.02(a), or such loss would have a material adverse impact on the Purchaser's planned operations, to terminate this Agreement in accordance with Section 8.01.

(b) If Seller gives written notice of a Loss pursuant to Section 5.09(a) within five (5) Business Days prior to the scheduled Closing Date and the Purchaser does not elect to terminate this Agreement pursuant to Section 5.09(a)(iii), the Closing shall be postponed until the date which is five (5) Business Days after the later of (i) the date on which such

written notice is given by the Seller and (ii) if applicable, the date on which any reduction to the Purchase Price is determined by an insurance adjuster pursuant to Section 5.09(c).

(c) If Purchaser elects to reduce the Purchase Price pursuant to Section 5.09(a)(i), the Seller and the Purchaser shall negotiate in good faith in an effort to agree upon the amount of such reduction. If they are unable to reach agreement within five (5) Business Days after written notice of the Loss is given by the Seller, then the amount of the reduction shall be determined by an independent, qualified insurance adjuster selected by the parties (or, if they are unable to agree on such selection, one appointed by the Bankruptcy Court upon application by either party).

SECTION 5.10 Confidentiality.

(a) The terms of the Non-Disclosure Agreement, dated as of October 2, 2009 (the “Confidentiality Agreement”) by and between the Seller and the Purchaser are hereby incorporated herein by reference, and shall continue in full force and effect until the Closing, at which time the obligations of the Purchaser under the Confidentiality Agreement shall terminate; provided, however, that if this Agreement is, for any reason, terminated prior to the Closing, the Confidentiality Agreement shall nonetheless continue in full force and effect in accordance with its terms.

(b) Nothing provided to the Purchaser pursuant to Section 5.08 shall in any way amend or diminish the Purchaser’s obligations under the Confidentiality Agreement. The Purchaser acknowledges and agrees that any “Confidential Information” or “Evaluation Material” (as defined in the Confidentiality Agreement) provided to the Purchaser pursuant to Section 5.08 shall be subject to the terms and conditions of the Confidentiality Agreement. In the event of termination of this Agreement pursuant to Section 8.01, the Purchaser shall turn over to the Seller all information provided to the Purchaser by the Seller regarding the Business that the Purchaser has obtained pursuant to Section 5.08.

(c) Notwithstanding anything herein to the contrary, each party hereto (and its representatives, agents and employees) may consult any legal or Tax advisor regarding the Tax treatment and Tax structure of the Transactions, and may disclose to any person, without limitation of any kind, the Tax treatment and Tax structure of such transactions and all materials (including opinions and other Tax analyses) that are provided relating to such treatment or structure.

SECTION 5.11 Regulatory and Other Authorizations; Notices and Consents. The Purchaser and the Seller shall each use their reasonable best efforts to promptly obtain all authorizations, notices to proceed, consents, orders and approvals of all Governmental Authorities and officials that are necessary for their respective execution and delivery of, and the performance of their respective obligations pursuant to, this Agreement, and each of the Ancillary Agreements and will cooperate fully with the other party in promptly seeking to obtain all such authorizations, consents, orders and approvals. In furtherance of the foregoing, to the extent that any authorizations, consents, orders and approvals contemplated by this Agreement are not obtained by the Closing Date, including without limitation the consent of CSX Transportation, Inc. referred to in Section 5.29, the parties hereto shall use their best efforts to

obtain such authorizations, consents, orders and approvals as soon as practicable after the Closing Date.

SECTION 5.12 Permits and Licenses.

(a) Commencing on the date of this Agreement, the parties, cooperating in good faith, shall use reasonable best efforts to take such steps, including the filing of any required applications with Governmental Authorities, as may be necessary (i) to effect the transfer of the Permits and Licenses to the Purchaser on or as soon as practicable after the Closing Date, to the extent such transfer is permissible under applicable Law, and (ii) to enable the Purchaser to obtain, on or as soon as practicable after the Closing Date, any additional licenses, permits, approvals, consents, certificates, registrations, and authorizations (whether governmental, regulatory, or otherwise) as may be necessary for the lawful operation of the Owned Real Property and the Leased Real Property from and after the Closing Date (the actions described in the foregoing clauses (i) and (ii) being referred to herein as the “Permitting Process”). Any filing or other fees and other out-of-pocket expenses associated with the Permitting Process shall be paid by the Purchaser.

(b) The Purchaser acknowledges that it may not be possible to complete the Permitting Process prior to the Closing Date and, except as set forth in Section 7.02, agrees that completion of the Permitting Process prior to the Closing Date shall not be a condition to its obligation to proceed with the Transactions as provided in this Agreement.

SECTION 5.13 Retained Names and Marks. The Purchaser hereby acknowledges that all right, title and interest in and to the names “Bender Shipbuilding & Repair Co., Inc.,” together with all variations thereof and all trademarks, service marks, domain names, trade names, trade dress, corporate names and acronyms thereof and all trademarks, service marks, domain names, trade names, trade dress, corporate names and other identifiers of source or goodwill containing, incorporating or associated with any of the foregoing (the “Retained Names and Marks”) are owned exclusively by the Seller. On or prior to the Closing Date, the Seller shall identify to the Purchaser where the Retained Names and Marks are displayed on the Purchased Assets, and within six (6) months of the Closing Date the Purchaser shall remove or obliterate all Retained Names and Marks from the Purchased Assets. The Purchaser further acknowledges that it has no rights, and is not acquiring any rights, to use the Retained Names and Marks, except that the Purchaser may continue to display such Retained Names and Marks on the Purchased Assets in the same manner as is the case on the Closing Date until such Retained Names and Marks are removed or obliterated in accordance with this Section 5.13.

SECTION 5.14 Bulk Transfer Laws. The Purchaser hereby waives compliance by the Seller with any applicable bulk sale or bulk transfer laws of any jurisdiction in connection with the sale of the Purchased Assets to the Purchaser.

SECTION 5.15 Further Action. The parties hereto shall use all reasonable efforts to take, or cause to be taken, all appropriate action, to do or cause to be done all things necessary, proper or advisable under applicable Law, and to execute and deliver such documents and other papers, as may be required to carry out the provisions of this Agreement and consummate and make effective the Transactions.

SECTION 5.16 Tax Cooperation and Exchange of Information. The parties hereto will provide the other parties with such cooperation and information as may be reasonably requested in filing any Tax Return, amended Tax Return or claim for refund; determining any liability for Taxes or a right to a refund of Taxes; or participating in or conducting any audit or other proceeding in respect of Taxes relating to the Purchased Assets or the Business. Such cooperation and information shall include providing copies of relevant Tax Returns or portions thereof, together with accompanying schedules and related work papers and documents relating to rulings or other determinations by taxing authorities. Each of the parties will make themselves (and their respective employees) available, on a mutually convenient basis, to provide explanations of any documents or information provided under this Section 5.16. Each of the parties will retain all Tax Returns, schedules and work papers and all material records or other documents in its possession (or in the possession of its Affiliates) relating to Tax matters relevant to the Purchased Assets or the Business for the taxable period first ending after the Closing and for all prior taxable periods (the "Tax Documents") until the later of (i) the expiration of the statute of limitations of the taxable periods to which such Tax Returns and other documents relate, without regard to extensions, or (ii) six (6) years following the due date (without extension) for such Tax Returns. After such time, before either party shall dispose of any such documents in its possession (or in the possession of its Affiliates), the other party shall be given the opportunity, after 90 days' prior written notice, to remove and retain all or any part of such documents as the other party may select (at such other party's expense). In the event that the Seller is liquidated or otherwise ceases to be a going concern prior to the expiration of the period described in the second preceding sentence, the Seller shall offer the Purchaser the opportunity described in the preceding sentence (with 90 days' prior written notice or such shorter period of notice as may be practicable) to remove and retain Tax Documents, and the Seller may then dispose of any such documents not removed by Purchaser. If it is not practical to give the other party the right to retain Tax Documents, the other party may instead be given a reasonable opportunity to make copies of such Tax Documents at its own expense. Any information obtained under this Section 5.16 shall be kept confidential, except as may be otherwise necessary in connection with the filing of Tax Returns or claims for a refund, or in conducting an audit or other proceeding.

SECTION 5.17 Payment of Taxes. In the event that any Conveyance Taxes are assessed on the transfer of the Purchased Assets to the Purchaser, the Seller shall pay the entire amount of such Conveyance Taxes. The Seller shall complete and file all Tax Returns associated therewith. Prior to the Closing Date, the Seller shall complete and file all returns associated with *ad valorem* Taxes of any nature.

SECTION 5.18 Proration of Taxes and Certain Charges.

(a) Except as provided in this Section 5.18, all Property Taxes levied with respect to the Purchased Assets for any taxable period that includes the day before the Closing Date and ends after the Closing Date, whether imposed or assessed before or after the Closing Date, shall be prorated between the Seller and the Purchaser as of 12:01 A.M. Central time on the Closing Date. If any Taxes subject to proration are paid by the Purchaser, on the one hand, or the Seller, on the other hand, the proportionate amount of such Taxes paid (or in the event a refund of any portion of such Taxes previously paid is received, such refund) shall be

paid promptly by (or to) the other party after the payment of such Taxes (or promptly following the receipt of any such refund).

(b) Except as otherwise provided in this Agreement, all installments of special assessments or other charges on or with respect to the Purchased Assets payable by the Seller for any period in which the Closing Date shall occur, including base rent, common area maintenance, royalties, all municipal, utility or authority charges for water, sewer, electric or gas charges, garbage or waste removal, and cost of fuel, shall be apportioned as of the Closing, and each party shall pay its proportionate share promptly upon the receipt of any bill, statement or other charge with respect thereto. If assessment of such charges or rates is based either upon time or for a specified period, such charges or rates shall be prorated as of 12:01 A.M. Central time on the Closing Date. If assessment of such charges or rates is based upon usage of utility or similar services, such charges shall be prorated pursuant to meter readings taken on the Closing Date.

(c) All refunds, reimbursements, installments of base rent, additional rent, license fees or other use-related revenue receivable by any party, to the extent attributable to the Purchased Assets, for any period in which the Closing shall occur shall be prorated so that the Seller shall be entitled to that portion of any such installment applicable to the period up to, but, not including the Closing Date, and the Purchaser shall be entitled to that portion of any such installment applicable to any period from and after the Closing Date, and if the Purchaser or the Seller, as the case may be, shall receive any such payments after the Closing Date, it shall promptly remit to the other party its share of such payments.

SECTION 5.19 Personal Information. In respect of any Personal Information contained in the books and records of the Seller that the Purchaser has had access to or acquires at the Closing, the Purchaser will: (a) before the Closing, use the Personal Information solely for purposes relating to the Transactions and, if the Closing does not occur, return the Personal Information to the Seller; and (b) if the Closing does occur, then after the Closing, use and disclose any such Personal Information only for necessary employment purposes in compliance with all applicable Laws.

SECTION 5.20 Reserved.

SECTION 5.21 Work in Progress. The Purchaser and the Seller acknowledge that the Seller may have work in progress that will need to be completed after the Closing Date, and the Purchaser agrees that the Seller shall complete such work in progress pursuant to the terms of the Facilities Use Agreement.

SECTION 5.22 Additional Easements and Shared Utilities.

(a) If, following the Closing Date, any additional utility easement is required for the Purchaser's operations that is reasonably required to cross any properties of the Seller or its Affiliates, the Seller agrees to grant such easement or to cause its Affiliates to grant such easement, to the Purchaser or the utility provider, subject to reasonable easement terms and conditions and at no cost to the Purchaser. To the extent that Seller or its Affiliate must

obtain the consent of any lender in order to effectuate the foregoing, the Seller shall obtain such consent prior to the Closing Date.

(b) Prior to the Closing Date and at the Seller's sole expense, the Seller shall make arrangements to (i) segregate the electrical utilities that currently service the Purchased Assets and the Seller's other adjoining property, and (ii) install an electrical meter on the Seller's other adjoining property, so that the Seller's electrical utilities usage after the Closing Date will be billed directly to the Seller. Such segregation and meter installation shall occur on or immediately following the Closing Date. Until such segregation and meter installation is completed, the Purchaser agrees that the Seller may continue to use the electrical utilities located on the Purchased Assets in exchange for an agreed-upon fee equal to 3% of the total prorated monthly bill for such utilities services. Amounts due to the Purchaser hereunder are due and payable by the Seller to the Purchaser within 10 days of the Purchaser providing an invoice therefor to the Seller. If the Seller fails to pay the utility charge within such 10-day period, the Purchaser may elect to charge the Seller the maximum rate of interest allowable under applicable Laws until such time as the Seller has satisfied its obligations under this Section 5.22.

SECTION 5.23 Reserved.

SECTION 5.24 Location of Purchased Assets. The Seller covenants and agrees that, following the date of this Agreement, but prior to the Closing Date, the Seller shall move all Purchased Assets not located on the Owned Real Property or the Leased Real Property to the Owned Real Property or Leased Real Property (as specified by the Purchaser) at the Seller's expense. The Seller shall provide the Purchaser with at least three (3) days' prior notice of any such movement of Purchased Assets to the Owned Real Property or the Leased Real Property, and shall allow the Purchaser or its Representatives to observe such movement.

SECTION 5.25 Removal of Excluded Assets.

(a) The Seller covenants and agrees that the Seller shall remove all Excluded Assets located on the Owned Real Property or the Leased Real Property to a location other than the Owned Real Property or the Leased Real Property at the Seller's expense. Without limiting the foregoing, the Seller shall remove the GulfMark Assets (as defined below), it being understood that such contract and such materials are not included among the Purchased Assets or the Assumed Liabilities.

(b) "GulfMark Assets" shall mean Hull 8184, Hull 8188 and Hull 8192 as identified by that certain "Shipbuilding Contract" dated July 31, 2007, between the Seller and GulfMark Offshore, Inc. ("GulfMark"), as may have been modified by that certain "Change Order #7004" dated October 13, 2008 (collectively, the "GulfMark Contract"), together with all assembled component parts, materials, equipment, fixtures, machinery and steel acquired for the performance of said contract in accordance with the terms set forth therein, including all identifiable parts, materials, equipment, fixtures, machinery and steel identified to the contract pursuant to the terms of said "Change Order #7004", regardless of whether said items have actually been assembled or installed upon any hull. The GulfMark Assets shall further include all engineering, design work and related intellectual property to the extent

provided in the GulfMark Contract. Nothing in this Section 5.25 shall be deemed to be an admission or finding of ownership of the GulfMark Assets, which is expressly reserved for adjudication in that certain adversary proceeding pending in the Bankruptcy Court (Adversary Proceeding Case Number 09-1094). In the event GulfMark notifies the Purchaser and the Seller prior to the commencement of the Auction that it believes in good faith that any GulfMark Asset has been scheduled as a Purchased Asset, then unless otherwise mutually agreed by the Purchaser and the Seller, such assets will be excluded from the definition of Purchased Assets, and the Purchase Price will be adjusted in accordance with Section 2.06.

(c) Seller shall (a) remove all Excluded Assets (other than the GulfMark Assets), including all assets leased by the Seller from Complete Equipment, Inc. other than the CEI Equipment, in accordance with this Section 5.25 within one (1) month after the Closing Date, and (b) remove the GulfMark Assets and cause its creditors and any other parties who own other assets located on the Owned Real Property or the Leased Real Property to remove such assets within three (3) months after the Closing Date. The Seller shall provide the Purchaser with at least three (3) days' prior notice of any such movement of Excluded Assets off of the Owned Real Property or the Leased Real Property, and shall allow the Purchaser or its Representatives to observe such movement. In the event that the removal of any assets from the Owned Real Property or the Leased Real Property is not completed within the applicable time period required pursuant to this Section 5.25, then (i) the Purchaser shall have the right to remove any such assets to a location designated by the Seller (or if the Seller fails to designate a location, to a location selected by the Purchaser), (ii) the Purchaser shall have no responsibility, liability or obligation with respect to any such assets, including related to the removal and storage thereof, and (iii) the Purchaser shall be entitled to an allowed administrative expense priority claim pursuant to Section 503(b) of the Bankruptcy Code in respect of its costs and expenses in connection with removing and storing such assets.

SECTION 5.26 Vehicle Registration. Effective upon the Closing, the Seller and the Purchaser shall arrange for the transfer the registration of all registered trucks, cars, other vehicles and rolling stock included in the Purchased Assets into the Purchaser's name. The Purchaser covenants and agrees that it shall not use such trucks, cars, other vehicles or rolling stock until such registrations have been so transferred.

SECTION 5.27 Grant of Licenses.

(a) Effective as of the Effective Time, the Seller hereby grants to the Purchaser a non-exclusive, perpetual, royalty-free license to use, modify and sublicense to its Affiliates the Seller's Winship software in both object code and source code form, together with product documentation, user documentation, and other helpful information (collectively, the "Winship Software") for the Purchaser to gain the benefit of the license granted in this Section 5.27. The Seller shall provide copies of such object code, source code, product documentation and user documentation to the Purchaser at the Effective Time.

(b) Effective as of the Effective Time, the Seller hereby grants to the Purchaser a non-exclusive, perpetual, royalty-free license to use, modify and sublicense to its Affiliates the Vessel Designs listed in Section 2.01(a)(viii) of the Disclosure Schedule, together with

detailed construction information, procedures and numerically controlled (NC) machine information, in the marketing, selling, construction, testing and delivery of the vessels derived from such designs. The Seller shall provide copies of such designs and information and related documentation to the Purchaser at the Effective Time. For the avoidance of doubt, (a) except as provided in Subsections 5.27(b)(ii) and (iii) below, the Seller is granting a license to use, modify and sublicense the Vessel Designs only to the extent that it has a right to grant such a license without assuming and assigning to the Purchaser any Contract in accordance with the Bankruptcy Code, and (b) such license shall be royalty-free as between the Seller and the Purchaser. The parties further agree as follows:

(i) The parties acknowledge and agree that certain of the Vessel Designs may be subject to a license arrangement or other agreement with a third party (a “Vessel License Arrangement”). Immediately after the execution of this Agreement, the Seller shall use its best efforts to identify any Vessel License Arrangements or other matters (such as Actions or third party disputes) that may affect the Seller’s rights and obligations with respect to the Vessel Designs, and the Seller shall make available to the Purchaser all of the Seller’s books and records pertaining to such Vessel License Arrangements in order for the Purchaser to assess the Seller’s rights and obligations with respect to the Vessel Designs.

(ii) To the extent that any Vessel License Arrangement is identified as a Material Contract prior to the Closing Date, then the Purchaser shall acquire the rights and assume the obligations with respect to such Vessel License Arrangement only to the extent that such Vessel License Arrangement is an Assigned Contract hereunder; provided, however, that, any such Vessel License Arrangement shall only be deemed an Assigned Contract if the Purchaser elects that it should be treated as such, on or after the date that the amount of the Cure Costs owing under such Vessel License Arrangement, if any, are finally determined, whether by consent of the parties or by final order that is not subject to reconsideration, modification, appeal or stay (the “Cure Determination Date”); provided further that, if such Vessel License Arrangement is an Assigned Contract hereunder, then the Cure Costs, if any, owing under such Vessel License Arrangement as finally determined on the Cure Determination Date shall be the responsibility of the Purchaser and shall not be subject to the Asserted Cure Costs Escrow Agreement or the provisions of Section 5.06.

(iii) To the extent that additional Vessel License Arrangements are identified after the Closing Date, then, at the Purchaser’s request, the Seller shall use its best efforts to seek the right to assign such Vessel License Arrangements to the Purchaser such that the Purchaser obtains such rights and obligations as the Purchaser would have obtained had such Vessel License Arrangements been treated as Assigned Contracts hereunder (the “Post-Closing Assigned Contracts”), as modified in this Section 5.27(b)(iii). In furtherance of the foregoing, if required by the Bankruptcy Code, the Seller will serve notice on the counterparties to such Post-Closing Assigned Contracts of any Cure Costs, if any, owing under such Post-Closing Assigned Contracts and of the Seller’s intention to assume and assign such Post-Closing Assigned Contracts to the Purchaser in accordance with the Bankruptcy Code, and such counterparties shall have twelve (12) days thereafter to object to any Cure Costs, if any, and to the assumption and assignment to the Purchaser of such Post-Closing Assigned Contracts, unless such period is shortened by the Bankruptcy Court. In conjunction with serving such notice, the Seller will seek to obtain an order from the Bankruptcy Court permitting, at the election of the Purchaser made

on or after the Cure Determination Date, to assume and assign such Post-Closing Assigned Contracts to the Purchaser and asking that, if no objection to the Cure Costs for the respective Post Closing Assigned Contract is timely filed and served, the Cure Costs set forth in the notice provided by the Seller be binding upon the respective counterparty or counterparties to the Post Closing Assigned Contract for all purposes. To the extent that any Post-Closing Assigned Contracts are, at the Purchaser's election, assumed by the Seller and assigned to the Purchaser in accordance with the provisions of this Section 5.27(b)(iii), then the Purchaser shall be responsible for the payment of the Cure Costs, if any, that are determined on the Cure Determination Date and such Cure Costs shall not be subject to the Asserted Cure Costs Escrow Agreement or the provisions of Section 5.06.

(iv) For the avoidance of doubt, under no circumstances shall the Purchaser assume any Liabilities and Obligations to any third parties with respect to the Vessel Designs, including any Cure Costs, other than through its formal assumption of an Assigned Contract or Post-Closing Assigned Contract in accordance with the provisions of the Bankruptcy Code and this Section 5.27(b).

(c) The licenses granted hereunder are assignable by the Purchaser, to any of its Affiliates, successors-in-interest, or to any lender of the foregoing. The licenses granted under this Agreement shall be treated as a license of rights to "intellectual property" (as defined in the Bankruptcy Code) for purposes of Section 365(n) of the Bankruptcy Code. The parties agree that Purchaser and its sublicensees and successors-in-interest may elect to retain and may fully exercise all rights and elections under the Bankruptcy Code provided that such party abides by the terms of this Agreement, including without limitation the terms of all licenses granted hereunder.

SECTION 5.28 Complete Equipment. Prior to the Closing, the Seller shall cause Complete Equipment, Inc. ("CEI") to transfer to the Seller, free and clear of all Liens, Liabilities and Obligations, good and marketable title to the equipment currently owned by CEI and designated as "Complete" in the column under the "Owner" heading on Section 2.01(a)(ii) of the Disclosure Schedule (the "CEI Equipment"), which equipment is currently leased by the Seller pursuant to leases by and between the Seller and CEI (the "CEI Equipment Leases"). Such transfer shall be consummated pursuant to documentation reasonably approved by the Purchaser, and all CEI Equipment shall be included among the Purchased Assets at the Closing. In furtherance of the foregoing, on or prior to the Closing Date, the Seller shall obtain an order from the Bankruptcy Court (the "CEI Order"), in a form reasonably acceptable to Purchaser, permitting the Seller to (1) reject the CEI Equipment Leases; and (2) accept title to the CEI Equipment free and clear of all Liens, Liabilities and Obligations. Nothing herein, or in the Bidding Procedures Order, shall be deemed to impair, limit or impact the rights and remedies of any lenders or lessors to CEI who have an interest in the CEI Equipment, such rights and remedies being expressly preserved for the CEI Order.

SECTION 5.29 Acquisition/Lease of Additional Yards.

(a) In connection with the Closing, the Affiliate Leases shall be treated as Assigned Contracts and the Seller shall assume and assign such Affiliate Leases to the Purchaser, subject to the Purchaser and the appropriate counterparty entering into (i) an

amended and restated lease agreement, effective as of the Closing Date, in substantially the form of Exhibit F, with respect to the real and personal property owned by Bender Ship Repair Company, Inc. that are currently leased to the Seller and which real property is commonly known as Yard 4 (the "Yard 4 Lease"), subject to such modifications as may be required (and are reasonably acceptable to the Purchaser) to obtain a non-disturbance agreement from Regions Bank and the consent of Regions Bank to the extent required under the mortgage documents related to such property, or as mutually agreed upon by Purchaser, Seller and Regions Bank, (ii) an amended and restated lease agreement, effective as of the Closing Date, in substantially the form of Exhibit F, with respect to (A) the real property owned by RAP, LLC, that is currently ground leased to Seller with an address of 651 Royal Street (North Baldwin Warehouse) and located on a portion of a tract of land commonly known as Plot A, and (B) subject to obtaining the consent of CSX Transportation, Inc., to the extent required, the portion of real property owned by CSX Transportation, Inc. that is currently leased to RAP, LLC and described on Exhibit H attached hereto (the "Plot A Lease"), and (iii) an amended and restated lease agreement, effective as of the Closing Date, substantially in the form of Exhibit F, the real property and improvements owned by Complete Equipment, Inc. that are currently leased to the Seller and are located on a portion of real property commonly known as Yard 12 at Royal and Elmira Streets, and (the "Yard 12 Lease").

(b) Following the execution of this Agreement, the Purchaser shall be entitled to contact and negotiate with the owners of the (i) the real property owned by Emily S. Hearin, William J. Hearin, Louise S. Brock, Katherine V. Hamilton, Thomas B. Van Antwerp, and Staples L. The Seller shall facilitate such contact and shall cooperate with the Purchaser in connection with such negotiations as reasonably requested by the Purchaser. To the extent any Additional Yard is subject to a Real Property Lease that is an Assigned Contract, the Seller shall work with the Purchaser to obtain a written amendment modifying the terms of such leases as of the Closing Date so as to have terms reasonably acceptable to Purchaser, including purchase price and provisions for remediation and a lease term (including options exercisable by the Purchaser in its sole discretion) of not less than thirty (30) years.

EMPLOYEE MATTERS

SECTION 6.01 Employees. Effective as of the Closing, the Purchaser may (but shall not be required to) offer employment to certain Employees actively employed in the Business as of the Closing Date. The Employees accepting such offer are referred to herein as the “Transferred Employees”. The Purchaser shall provide a list of Transferred Employees to Seller at least two (2) days prior to the Closing. In compliance with applicable Laws, the Seller will give or cause to be given notice of termination of employment effective as of the Closing to all Transferred Employees and shall waive all non-competition agreements and other restrictive covenants in force with respect to such Transferred Employees. The Seller shall retain all responsibility for all Employees other than the Transferred Employees. Nothing in this Agreement shall obligate the Purchaser to make any offer of employment to anyone other than any person whom the Purchaser may in its discretion designate in writing (including without limitation by making an offer of employment to any such person) to be an Transferred Employee or to provide continued employment to any Employee or other worker of the Seller, whether or not the subject of an employment offer from the Purchaser, for any specified period of time following the Closing, or to maintain the same terms of employment (including compensation and benefits) for any specified period of time following the Closing. The Purchaser is not assuming any employment contracts or any Liabilities and Obligations related to any Employees. Nothing herein express or implied confers upon any Employee any rights or remedies of any nature, kind or character whatsoever under or by reason of this provision.

SECTION 6.02 Employee Plans. The Seller acknowledges, that notwithstanding the sale and purchase of the Purchased Assets hereunder, the Seller shall be and remain solely responsible for all obligations to current and former Employees for compensation and benefits under the Employee Plans, including any benefits to which an Employee is or would have been entitled upon termination of employment (by way of retirement or otherwise) at the Closing Date and any benefits to which any former Employees may be entitled at any time, and all other obligations with respect to the employment of the Employees by Seller. The Seller agrees to continue to comply with all applicable Laws with respect to the Employee Plans, and agrees that it will cause the accounts in such Employee Plans of all Transferred Employees to be fully vested and non-forfeitable as of the Closing Date, and shall distribute such benefits which the Transferred Employees shall become entitled to receive from the Seller in accordance with the applicable Employee Plan document and the Transferred Employees’ elections, as applicable. The Purchaser shall have no Liabilities and Obligations with respect to any Employee Plan.

SECTION 6.03 Labor Contracts. The Purchaser does not agree to assume any collective bargaining agreements or other labor contracts which the Seller has entered into with third-party labor unions representing any Employee.

SECTION 6.04 WARN Act. To the extent, if any, required by the WARN Act, and any similar state law, the Seller shall be responsible for notifying any Employees of the termination of their employment by the Seller as of the Closing Date. The Seller agrees to indemnify, defend, and hold harmless the Purchaser from and against any and all Liabilities and Obligations arising or alleged to arise under the WARN Act in respect of the termination of any Employee on, or prior to, the Closing Date.

SECTION 6.05 COBRA Obligations. Notwithstanding anything to the contrary in this Agreement, the Seller shall retain all Liabilities and Obligations, and the Purchaser shall have no liability, with respect to the provision of notices, election periods, and benefits with respect to any Employee Plan pursuant to Section 4980B of the Tax Code or Part 6 of Subtitle B of Title 1 of ERISA, and similar state laws, to any Employees or other individuals associated with any Employees with respect to qualifying events occurring at any time, whether before or after the Closing Date, and whether or not in connection with the Transactions.

SECTION 6.06 Payment and Expenses at Closing. The Seller will be responsible for all payments made and all expenses and costs required to be paid in connection with the termination of employment of the Employees, including payment of all severance pay (if any) due under the Seller's severance policies to Employees of the Business who are not offered employment with the Purchaser. SECTION 6.07 Employee Access and Records. The Seller shall make available to the Purchaser for review records which are located on the Seller's premises or in the Seller's possession, and which provide information regarding Employees' names, dates of hire by the Seller, salary histories, performance ratings and evaluations, and disciplinary warnings or actions for all Employees. The Seller shall make the Employees available to the Purchaser, during normal business hours and upon reasonable request, for interviews and pre-hire screenings, subject to Employees' approval on a case-by-case basis.

(d) Approval of Orders. The Bankruptcy Court shall have (i) approved the Bidding Procedures Order and (ii) entered a Transaction Approval Order, which shall be a Final Order; provided, however, that, in accordance with the Transaction Approval Order and any other applicable order, if any, at the Purchaser’s election, the Purchaser may waive the requirement that the Transaction Approval Order be a Final Order.

(e) No Material Adverse Effect. Since the date of this Agreement, there shall not have occurred any state of facts, event or change in circumstance that has had or could reasonably be expected to have a Material Adverse Effect on the Purchased Assets, as a whole.

(f) No Proceedings. Since the date of this Agreement, there shall not have been commenced or threatened against the Seller or any Affiliate of the Seller any proceeding that

could reasonably be expected to have the effect of preventing or making illegal the Transactions.

(g) Acquisition/Lease of Additional Yards. Contemporaneously with the Closing, the Purchaser shall have (i) entered into leases for the Affiliate Sites in substantially the form of Exhibit F, and (ii) acquired or leased the Additional Yards on terms satisfactory to the Purchaser in its sole discretion, including purchase price and lease term (including options exercisable by the Purchaser in its sole discretion) of not less than thirty (30) years; provided that obtaining the consent of CSX Transportation, Inc. with respect to the Plot A Lease shall not be a condition precedent to the Closing.

(h) Reserved.

(i) Required Permits and Licenses. The Seller shall have transferred to the Purchaser, or the Purchaser shall have been issued from the relevant Governmental Authority, the Permits and Licenses (or replacements therefor, as the case may be), set forth in Section 7.02(i) of the Disclosure Schedule and such Permits and Licenses shall be in full force and effect.

(j) Assigned Contracts. Provided the Purchaser has provided adequate assurance of future performance, as required under the Bankruptcy Code, to effect the assumption and assignment of the Assigned Contracts, all of the Assigned Contracts shall (i) be in full force and effect on the Closing Date and (ii) be assignable to the Purchaser without the consent of the counterparty to such Assigned Contract for such assignment (or such consent shall have been received prior to the Closing Date).

(k) Bar Date; Notice of Same. The Seller shall provide actual notice of the sale of the Purchased Assets to the Purchaser to the Seller's creditors and any other Persons who may have claims against the Seller or the Bankruptcy Estate, including all Employees and all Governmental Authorities with oversight of environmental or employee matters relating to the Seller or the Business. Additionally, at such time as the Bankruptcy Court shall have established a deadline or "bar date" for the filing of proofs of claim against the Bankruptcy Estate, the Seller shall provide actual notice of such bar date to the Seller's creditors and any other Persons who may have claims against the Seller or the Bankruptcy Estate.

(l) Real Estate; Title Commitments; Environmental Reports.

(i) From the date of this Agreement until Closing, the Purchaser and its Representatives, engineers, and surveyors shall have the right to go on the Owned Real Property and Leased Real Property during normal business hours (or at such other times as Seller may approve in advance in writing) to inspect and survey the Owned Real Property and Leased Real Property and improvements thereon, and to conduct relevant studies and make other determinations which, in the sole opinion of Purchaser, are necessary to determine the condition of the Owned Real Property and Leased Real Property. The Purchaser shall bear all costs and expenses of conducting the aforementioned surveys and studies. The Purchaser shall have confirmed to its satisfaction that there has been no material change to the condition of the Owned Real Property and the Leased Real Property as of the Closing Date.

(ii) The Purchaser shall have received from the Title Company an irrevocable commitment to issue standard or, if requested by the Purchaser, extended title insurance on each parcel of Owned Real Property and Leased Real Property, in form and substance and with such exceptions as are satisfactory to the Purchaser in its sole discretion, and including any required special endorsements (including, but not limited to, a creditor's rights endorsement).

(iii) The Purchaser shall have received, from each landlord of Leased Real Property, a binding commitment to enter into a new lease or agree to an assignment of each of the Leased Real Properties, with amendments required by the Purchaser, on terms and conditions acceptable to the Purchaser, it being a condition of Closing that the Purchaser must be able to acquire acceptable leasehold interests in each of the Leased Real Properties.

(iv) Reserved.

(v) The Purchaser shall have received a signed commitment from the escrow officer to close the transaction in accordance with the Purchaser's escrow instructions. The Purchaser must have reviewed and signed all documents required by the Title Company to transfer the Owned Real Property and the Leased Real Property and to issue a title insurance policy, as described above, for each of the required documents. Closing costs will be shared, as is customary, provided, however, that the Purchaser shall pay the cost of standard title insurance and any additional premium required for extended coverage or special endorsements, if so ordered by the Purchaser. The Seller shall have cooperated as necessary in order for the Purchaser to obtain extended coverage or any special endorsement requested by the Purchaser. The Title Company shall record all Deeds and issue all title policy commitments immediately prior to the Closing, and no funds shall be disbursed to Seller unless and until the foregoing has occurred.

(vi) The Purchaser shall, in its sole discretion, be satisfied that it has access to a public right-of-way and through any existing utility corridors located within any of the Seller's properties in order to install any additional services required for the Purchaser's operations. The Purchaser shall have also been granted an access easement in order to maintain, repair or replace any existing utility services for the Owned Real Property and Leased Real Property that are located in whole or in part, on the Seller's properties. The Purchaser, in its reasonable discretion, shall be satisfied that it has access to, and use of, all water ways required to perform ship repair operations as contemplated by this Agreement. The Purchaser shall be satisfied, in its reasonable discretion, that it has sufficient rights of access, ingress and egress over all public and private rights of way located in, on, about or serving the Owned Real Property or Leased Real Property, including without limitation satisfaction that any railroad facilities do not impair such rights of access, ingress or egress.

(m) Insurance Policy Actions. The Purchaser shall have received evidence reasonably satisfactory to the Purchaser to confirm that the Insurance Policies remain in full force and effect as of the Closing Date and, to the extent enforceable, shall continue in full force and effect through not earlier than the date that is two weeks after the Closing Date.

(n) Tax Payments. The Seller shall have (i) filed and paid all Taxes due (whether or not deemed delinquent by any Governmental Authority) in respect of any Prorated Tax

Payments and Conveyance Taxes, including, but not limited to, *ad valorem* Taxes related to any of the Owned Real Property, the Leased Real Property or the Purchased Assets and (ii) provided the Purchaser with evidence reasonably satisfactory to the Purchaser of such Tax payments.

(o) Complete Equipment. The Seller shall have obtained good and marketable title to the CEI Equipment in order to facilitate the sale of such CEI Equipment to the Purchaser as contemplated by this Agreement, and the Seller shall have obtained an order from the Bankruptcy Court, in a form reasonably acceptable to Purchaser, permitting the Seller to (1) reject the CEI Equipment Leases; and (2) accept title to the CEI Equipment free and clear of all Liens, Liabilities and Obligations.

ARTICLE VIII

TERMINATION, AMENDMENT AND WAIVER

SECTION 8.01 Termination. This Agreement may be terminated at any time prior to the Closing:

(a) by either the Seller or the Purchaser if: (i) the Purchaser is not reasonably satisfied with all of its conditions to its obligations to close as described in this Agreement; (ii) the Bidding Procedures Order has not been entered by the Bankruptcy Court on or prior to the date that is 45 days after the date of this Agreement; (iii) the Purchaser is not selected as the successful bidder in accordance with the Bidding Procedures; (iv) in the event that the Purchaser is selected as the successful bidder in accordance with the Bidding Procedures, the Transaction Approval Order has not been entered by the Bankruptcy Court on or prior to the Termination Date; or (v) the Closing shall not have occurred by the Termination Date; provided, however, that the right to terminate this Agreement under this Section 8.01(a) shall not be available to any party whose failure to fulfill any obligation under this Agreement shall have been the cause of, or shall have resulted in, the failure of the Closing to occur on or prior to such date;

(b) by either the Purchaser or the Seller in the event that any Governmental Order restraining, enjoining or otherwise prohibiting the Transactions shall have become final and nonappealable;

(c) by the Seller if the Purchaser shall have breached any of its representations, warranties, covenants or other agreements contained in this Agreement, which would give rise to the failure of a condition, as set forth in Article VII, which breach cannot be or has not been cured within ten (10) days following the Purchaser's receipt of written notice of such breach from the Seller, as the same may be extended by mutual written agreement of the parties provided, however, that the right to terminate this Agreement under this Section 8.01(c) shall not be available to the Seller if the Seller is in breach of any of its representations, warranties, covenants or other agreements contained in this Agreement as of such date;

(d) by the Purchaser if the Seller shall have breached any of its representations, warranties, covenants or other agreements contained in this Agreement, which would give rise to the failure of a condition, as set forth in Article VII, which breach cannot be or has not been cured within ten (10) days following the Seller's receipt of written notice of such breach from the Purchaser, as the same may be extended by mutual written agreement of the parties provided, however, that the right to terminate this Agreement under this Section 8.01(d) shall not be available to the Purchaser if the Purchaser is in breach of any of its representations, warranties, covenants or other agreements contained in this Agreement as of such date;

(e) by the Purchaser if any of the following terms are modified in the Bid Procedures Order from the terms set forth in Exhibit D without the Purchaser's consent: (i) the amount of the Break-Up Fee amount, or (ii) the timing for payment to the Purchaser of the Break-Up Fee.

(f) ipso facto, notwithstanding anything in this Agreement to the contrary, if the Bankruptcy Court does not approve this Agreement, regardless of whether the Purchaser and/or the Seller is in breach of any of its representations, warranties, covenants or other agreements contained in this Agreement; or

(g) by the written consent of each of the Seller and the Purchaser.

SECTION 8.02 Effect of Termination. In the event of termination of this Agreement as provided in Section 8.01, this Agreement shall forthwith become void, and there shall be no liability on the part of any party hereto, except: (a) as set forth in Section 2.07(b), Section 5.05, Section 5.10 and Article X; and (b) that nothing herein shall relieve either party from liability for any breach of this Agreement occurring prior to such termination.

ARTICLE IX

NON-SURVIVAL OF REPRESENTATIONS AND WARRANTIES

SECTION 9.01 Non-Survival of Representations and Warranties. The representations, warranties and covenants in this Agreement (other than covenants that, by their terms, survive the Closing or termination of this Agreement) shall terminate at the Closing, or upon termination of this Agreement pursuant to Section 8.01, and, following the Closing or the termination of this Agreement, as the case may be, no party shall make any claim whatsoever for any breach of any representation, warranty or such covenant hereunder, subject to Section 8.02.

SECTION 10.03 Public Announcements. Neither of the parties to this Agreement nor their Representatives shall make, or cause to be made, any press release or public announcement in respect of this Agreement or the Transactions, or otherwise communicate with any member of the news media, without the prior written consent of the other parties, except as otherwise required by Law or in filings in the Bankruptcy Court or office of the United States Bankruptcy Administrator, and the parties to this Agreement shall cooperate as to the timing and contents of any such press release, public announcement or communication. Each party shall be responsible for any release, announcement or communication by its Representatives in contravention of this Section.

SECTION 10.04 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any Law or public policy, all other terms and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the Transactions is not affected in any manner materially adverse to either party hereto. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible, in an acceptable manner, in order to consummate the Transactions as originally contemplated, to the greatest extent possible.

SECTION 10.05 Entire Agreement. This Agreement, the Ancillary Agreements and the Confidentiality Agreements constitute the entire agreement of the parties hereto with respect to the subject matter hereof and thereof, and supersede all prior agreements and undertakings, both written and oral, between the Seller and the Purchaser with respect to the subject matter hereof and thereof, including without limitation the Original Agreement (other than the Schedules and Exhibits to the Original Agreement, which shall remain unmodified by this Agreement).

SECTION 10.06 Assignment. This Agreement may not be assigned by operation of law or otherwise without the express written consent of the Seller and the Purchaser (which consent may be granted or withheld in the sole discretion of the Seller or the Purchaser, as the case may be). Notwithstanding the foregoing, prior to Closing, the Purchaser may assign its right to purchase any of the Purchased Assets hereunder to another Person, provided, however that the same shall not relieve the Purchaser of any of its obligations to the Seller hereunder, and provided, further, that under no circumstances shall such assignment delay the sale of any or all of the Purchased Assets hereunder. Regarding any such assignment, references to the Purchaser, in this Agreement, other than the preceding sentence, shall be deemed to apply *mutatis mutandis* to the Purchaser's assignee in respect of the rights so assigned.

SECTION 10.07 Amendment. This Agreement may not be amended or modified except (a) by an instrument in writing signed by, or on behalf of, the Seller and the Purchaser or (b) by a waiver in accordance with Section 10.08.

SECTION 10.08 Waiver. Any party to this Agreement may: (a) extend the time for the performance of any of the obligations or other acts of the other party; (b) waive any inaccuracies in the representations and warranties of the other party contained herein or in any document delivered by the other party pursuant hereto; or (c) waive compliance with any of the agreements of the other party or conditions to such other party's obligations contained herein. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the party to be bound thereby. Any waiver of any term or condition shall not be construed as a waiver of any subsequent breach or a subsequent waiver of the same term or condition, or a waiver of any other term or condition of this Agreement. The failure of either party hereto to assert any of its rights hereunder shall not constitute a waiver of any of such rights.

SECTION 10.09 No Third Party Beneficiaries. This Agreement shall be binding upon and inure solely to the benefit of the parties hereto and their respective successors and permitted assigns, and nothing herein, express or implied, is intended to, or shall confer upon, any other Person any legal or equitable right, benefit or remedy of any nature whatsoever, including any rights of employment for any specified period, under or by reason of this Agreement.

SECTION 10.10 Liquidated Damages. The Purchaser and the Seller agree that it would be impractical and extremely difficult to accurately estimate the damages that the Seller would suffer if the Closing does not occur by reason of the sole default of the Purchaser. Therefore, the Purchaser and the Seller agree that if the Seller terminates this Agreement in accordance with Section 8.01(c), the Purchaser shall be obligated to pay liquidated damages in the amount of the Purchaser's Deposit (which for the avoidance of doubt, shall be limited to the Purchaser's Initial Deposit if the Purchaser's Additional Deposit was not paid pursuant to Section 2.07) in accordance with the terms of the Deposit Escrow Agreement, and the receipt by the Seller of the Purchaser's Deposit shall be the Seller's sole and exclusive remedy as liquidated damages and not as a forfeiture or penalty.

SECTION 10.11 Governing Law. This Agreement shall be governed by, and construed in accordance with, the Laws of the State of New York and, to the extent applicable, the Bankruptcy Code. The parties hereto agree that the Bankruptcy Court shall be the exclusive forum for enforcement of this Agreement or the Transactions and (only for the limited purpose of such enforcement) submit to the jurisdiction thereof; provided, that if the Bankruptcy Court determines that it does not have subject matter jurisdiction over any action or proceeding arising out of or relating to this Agreement, then each party: (a) agrees that all such actions or proceedings shall be heard and determined in a federal court sitting in The City of Mobile, Alabama; (b) irrevocably submits to the jurisdiction of such court in any such action or proceeding; (c) consents that any such action or proceeding may be brought in such court and waives any objection that such party may now or hereafter have to the venue or jurisdiction or that such action or proceeding was brought in an inconvenient court; and (d) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such party and its counsel at its address as provided in Section 10.02 (provided, that nothing herein

shall affect the right to effect service of process in any other manner permitted by New York Law).

SECTION 10.12 Waiver of Jury Trial. (a) EACH OF THE PARTIES HERETO HEREBY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS. EACH OF THE PARTIES HERETO HEREBY (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF THE OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (b) ACKNOWLEDGES THAT IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE TRANSACTIONS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.12.

SECTION 10.13 Counterparts. This Agreement may be executed and delivered (including by facsimile and email transmission) in counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original, but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by facsimile, PDF file or other means of electronic transmission shall be effective as delivery of a manually executed counterpart to this Agreement.

[Signatures on Following Page]

IN WITNESS WHEREOF, the Seller and the Purchaser have caused this Agreement to be executed as of the date first set forth above by their respective officers thereunto duly authorized.
